STAR ALLIANCE 

25
YEARS

Dear reader,

I am super-thrilled and elated to present this WTM London special edition to you all. November 2022 edition that you hold has been beautified with a cover story on India's most prestigious MICE tourism awards ceremony – 'IMA Awards 2022' hosted by TravTour MICE Guide. This year we received more than 14, 589 nominations across 60 award categories from organizations and individuals alike. However, only 16 most deserving MICE tourism players of India were awarded this year. Furthermore,

the issue carries a special coverage on 6th annual summit on Development of MICE Tourism in North East India. Apex tourism bodies and travel & tourism associations of India such as TAAI, IATO, RTSOI, HAI, FHRAI, ICF, IGTA and ATOAI participated in the event with great zeal. During the event, I moderated a panel discussion where the industry experts shared their views on the challenges to project North Eastern India as a unique MICE destination. The second half was dedicated to the elaboration of possible solutions to address the challenges in this region. Presided over by Mr. Lok Ranjan, Secretary - Ministry of Development of North Eastern Region, Govt. of India the event went off successfully. The event unlocked the MICE business potential across all eight states of North East India for many tourism professionals. A special North East edition of TravTour MICE, detailing some of the most virgin and unique places across Assam, Arunachal Pradesh, Sikkim, Mizoram, Manipur, Tripura, Nagaland and Meghalaya was also officially released by Mr. Lok Ranjan during the summit. The must-read coverage awaits you at page no. 15.

The year 2022 has seen momentous recovery in the MICE tourism sector so far. India has been witnessing the graph of domestic conferences and events going up and high. Recently, TravTour MICE Guide was invited by Mr. G. Kishan Reddy, Hon. Minister of Tourism, Govt. of India to cover The National Conference on Tourist Police. It was a welcome step. The conference provided the stake holders with a platform to put forth the suggestions for the challenges which both domestic and international tourists face frequently while visiting the different parts of our country. The glimpses of the conference can be had at page no. 42.

The contents of the edition has a feature on page no. 12 about 'Mahakal Lok' which was recently inaugurated by our Prime Minister Mr. Narendra Modi in Ujjain. This destination is said to be the hub for spiritual tourism in the years to come. This edition can't be compiled without a mention of India's most sought after pilgrimage destination in Katra, Jammu i.e. Shri Mata Vaishno Devi Shrine. The highlights of the beautiful and hilly spiritual destination can be read at page no. 40. To the best of our reports more than 63,81,757 pilgrims have already visited the Holy Shrine till 31 October 2022. 'TravTour Associate Hotels', featuring more than 252 star hotels across the country describes the in-depth information on India's finest MICE Hotels & Resorts, city wise. Available at page no. 45, it's a ready-reckoner for DMC's and meeting planners.

This edition has emphasized on the futuristic approach to tap the ever increasing meetings, incentives, conferences and events market across the lesser-known destinations with significant tourism potential. I would like to thank our advertisers, awardees, the state government of Nagaland as well as Ministry of Tourism, government of India who have been partnering with TravTour MICE Guide and acknowledging our efforts to position India as a unique MICE destination on the world's MICE map. Let's take a pledge to make India, Incredible again.

Happy reading

I am happy to know that TravTour MICE Guide is releasing its special edition on India's MICE Tourism industry at the WTM London on 7th November at the Indian Pavilion. PM MODI INAUGURATED MAHAKAL LOK IN UJJAIN

October 11, 2022, Ujjain : Taking forward the vision of promoting domestic tourism in India, Prime Minister Mr. Narendra Modi today inaugurated the first phase of the Mahakaleshwar Temple corridor development project in Madhya Pradesh's Ujjain. The entire project is being developed around the centuries old sanctum sanctorum i.e. Mahakaleshwar Temple. Situated on the banks of recently revived Rudrasagar lake in this historic city, the corridor is going to be largest in the country. The Lord Shiva temple is the most sought after out of 12 'Jyotirlingas' in India. It has been named 'Mahakal Lok'. Depicting the stories of Lord Shiva, the corridor has many sculptures along with mural paintings as the USP's of this sacred place. Apart from 108 pillars showcasing Lord Shiva's 'Tandav' dance form, there are total 8 statues of 18 feet height. Spread across 45 hectares the corridor that starts from Nandi Dwar is around 1 km long with sublime view of musical fountains. The visitors here can experience the cultural and traditional connect in their own languages as the destination offers technically advanced, multi-lingual translated audio facilities. Once completed, the corridor will house country's first night garden and total capacity of the corridor is believed to be two lakh people at a time. The project would cost around Rs 850 crore and is being developed to attract pilgrims and spiritual tourists from across the world. For security and safety of visitors, 600 CCTV's have been put in place. [t](#)

Shri Mata Vaishno Devi Shrine

A Spiritual Journey

Visiting India in search of peace and spirituality is nothing new. What is novel and exciting is that never before has its rejuvenating spirituality been packaged with such an ease. Ascetics and seers in India renounce worldly pleasures and live in austere surroundings in the hills. In this context, Shri Mata Vaishno Devi Shrine, Jammu is the most sought after pilgrimage destination for devotees in India and abroad. The number of visitors of holy shrine of Mata Vaishno Devi is now exceeding 10 million pilgrims annually for this divine meet.

The pilgrimage to the Holy Shrine of Shri Mata Vaishno Devi Ji is considered to be one of the holiest pilgrimages of our times. Popular the world over as the Mother who fulfills whatever Her children wish for. Shri Mata Vaishno Devi Ji resides in a Holy Cave located in the folds of the three peaked mountain named Trikuta (pronounced as Trikoot). The Holy Cave of the Mother is situated at an altitude of 5200 ft in Trikuta mountains. The Pilgrims have to undertake a trek of nearly 12 km from the base camp at Katra. At the culmination of their pilgrimage, the pilgrims are blessed with the Darshans of the Mother Goddess inside the Sanctum Sanctorum- the Holy Cave. These Darshans (visits) are in the shape of three natural rock formations called the Pindies. There are no statues or idols inside the Cave. Towards the right of the devotee is the Holy Pindi of Mata Maha Kali in the colour associated with Her i.e. black. In the centre is the Holy Pindi of Mata Maha Lakshmi with a yellowish-red tinge, the colour associated with Mata Maha Lakshmi. The Pindi to the extreme left of the viewer is worshipped as the Holy Pindi of Mata Maha Saraswati. It has a whitish tinge when looked at attentively.

The Holy Cave attracts millions of devotees every year. This is due to the unflinching faith of the devotees who throng the Shrine from all parts of India and abroad. It is also a matter of experience by almost all those who visit the Holy Shrine that upon the Call of Mata, a person needs to just take one step and leave the rest to Her and his journey gets completed with Her divine blessings. Simultaneously, it is also believed that unless there is a call no one can visit the Shrine or have Her blessings, howsoever high or mighty one may be. Holy Visits are open round the clock throughout the year. More than 63,81,757 pilgrims have visited the Holy Shrine until 31 October 2022. The table depicts the annual figures of visitors over the last ten years: [t](#)
